

## ATTEMPT TO ROB SOUTH SIDE BANK

Digging Through Wall Next Door  
Supposed Amateurs Strike the  
Steel Vault

## WORK WITH STOLEN PICKS

A daring but unsuccessful attempt  
to rob the South Omaha Savings bank  
Twenty-fourth and M streets was  
made Thursday night.

Two holes were dug through the  
wall that separates the bank from the  
theater next door. The  
first hole dug through did not strike  
the vault. The robbers then dug an-  
other hole from the theater. This  
time the vault, but the steel wall  
deflected the attempted robbery.

The holes were found yesterday  
at James B. Humphrey of the thea-  
ter. A pick was found also. This had  
been stolen from a city tool box at  
Twenty-third and Q streets.

Detectives Eddie Fleming and Mike  
Ellsworth, manager of the thea-  
ter, are working on the case.

A. C. Ellsworth, manager of the thea-  
ter, says he noticed  
four young men going into the thea-  
ter four nights in succession. Last  
night they went in again, but they  
thoroughly separated when they got  
inside, and occupied different seats  
along the wall. He did not see them  
go out, and it is believed they hid  
and thus were left alone to do their  
work.

The police believe the would-be  
robbers were amateurs. Profession-  
als, armed with nitroglycerine and  
giving the advantage of working in  
the dark and secrecy of the theater  
away from the view of policemen and  
the watchman, would have made  
short work of the steel of the vault,  
which was a rich booty of many  
thousands of dollars in cash, detec-  
tives averred.

## BISHOP OF LINCOLN TO LAY NEW ACADEMY CORNERSTONE

The cornerstone of the new Sacred  
Heart academy at Papillion will be  
laid by Rt. Rev. John Henry Tihen,  
bishop of Lincoln, at 4 o'clock Sunday  
afternoon. The bishop will be assisted  
at the ceremonies by several Omaha  
priests.

A band will render an appropriate  
program of music and selections will  
be sung by several Omaha and Pa-  
pillon soloists.

Interurban cars will run every hour  
from 2 o'clock till 6 o'clock.

## BEBELIS LOSES FIGHT AGAINST DEPORTATION

"Tom" Bebelis lost in his fight  
against deportation when the case  
was heard before Federal Judge  
Woodruff, with Immigration In-  
spector Whitfield prosecuting. "Tom"  
is considered to be an undesirable  
alien. He has been released under  
\$1,000 bond, pending an appeal which  
he expects to take.

## Omaha Student of Journalism is Home for Her Summer Vacation

A particularly interesting Omaha  
student returned home Thursday on  
her summer vacation. This is Miss  
Liliane Refregier, who is studying  
journalism in New York City, the first  
school of Columbia university. At  
Barnard college last year, Miss Refre-  
gier represented the New York World  
and was active in the French relief  
work. An interesting feature of the  
relief work are the letters written by  
the pupils to men at the front, each  
girl assigned to correspond with some  
one in the trenches. So far, Miss Refre-  
gier's soldier is fighting unhurt.

One of the jokes of the New York  
newspaper world, since the opening of  
the Pulitzer school, has been the in-  
terviewers who gave time and pains  
to students of journalism, thinking  
they were talking to staff reporters.  
One of the worst to be so bitten was  
T. R. himself on the opening of the  
school. Miss Refregier says this is  
not quite the joke it was at first, for  
many of the students are now selling  
their interviews and stories to the  
New York editors. One of the inter-  
esting personages interviewed by the  
Omaha student this last year was  
Lydia Lopokova, the Russian dancer.

MISS LILIANE REFREGIER.

## Bearish Slant Continues in the Local Wheat Mart

Wheat prices continued on the  
down grade, selling off 1 to 3 cents  
from Thursday, the decline being in  
line with that of Chicago and else-  
where. On the Omaha market the  
wheat receipts were seventy-six car-  
loads, the prices ranging from 82½¢ to  
97¢ cents per bushel.

Corn was off a cent, the prices be-  
ing 58½¢ to 67½¢. Receipts for the day  
were fifty-four carloads.

Oats took an upturn of a cent and  
sold at 35½¢ to 36¼¢ cents per bushel.  
The receipts were eighteen carloads.

## FOREST FIRE RAGING NEAR MARATHON TEXAS

Marathon, Tex., June 2.—A moun-  
tain fire in the Glass mountain dis-  
trict, twelve miles west of here, has  
destroyed thirty sections of timber  
and grass lands and is spreading  
rapidly. Efforts to check the blaze,  
which is said to have been started  
by lightning last Tuesday, have been  
in vain because of the dryness of the  
district. Cattle and goat raisers have  
suffered a heavy loss, the amount of  
which no one was willing to estimate  
today.

## PERSONAL PARAGRAPHS

One Miller, juvenile offender, leaves today  
for Lafayette, Ind., to attend the T. P. A.  
convention.

## NEW ANGLE TO THE LABORERS' STRIKE

Complications Arise With the Semi-  
Sympathetic Move of the  
Hoisting Engineers.

## BUILDERS AND SUPPLY MEN MEET

The strike situation grows more and  
more complicated.

While here and there some of the  
building laborers have gone back to  
work wherever they can get 30 cents  
an hour, there is a new complication  
with the hoisting engineers.

Some of the hoisting engineers have  
gone out on a semi-sympathetic strike.  
Some of them have expressed their  
willingness to work, however, with  
nonunion laborers, but have indicated  
that the signal men might cause  
trouble, as they could not work with  
nonunion labor, and that the engi-  
neers cannot work without a signal  
man.

Members of the Builders' exchange  
and material supply men held a meet-  
ing during the forenoon, but would  
give out no statement. It was indi-  
cated that some statement might be  
forthcoming before long, but this has  
been said for a week.

## Back on Ford Hospital Job.

A few days ago a force of laborers  
resumed work at the Ford hospital,  
the job being handled by the con-  
tractors, Buck & Wind.

The men got 30 cents an hour, it is  
said, and were satisfied for a time,  
until they were asked to work, brick  
and mortar. Immediately they held  
that this work, according to the scale  
they were demanding, was worth a  
nickle an hour more.

The demand was not met, so they  
walked off the job again.

Yesterday, however, a force went  
back to work there.

Chris Jensen, contractor, who is  
wrecking the building in which the  
World-Herald was formerly situated,  
preparatory to building a moving pic-  
ture theater there, has a force of be-  
tween ten and a dozen men at work.

For a time after the strike came on  
he had very few men working, and  
these he worked behind a high board  
fence. Now, however, he is working  
this larger force openly and without  
molestation.

## SECURES VERDICT FROM AN ACCIDENT COMPANY

Mrs. Richard M. Grosvenor was  
given a verdict of \$5,000 in her suit  
for that amount against the Fidelity  
and Casualty company of New York.  
She was recently awarded a verdict  
of \$2,500 against the Royal league,  
another insurance order. Her hus-  
band died under peculiar circum-  
stances and the insurance companies  
refused to pay the policies he held.

## Rats Return for Saturday and Sunday Afternoon Games

The Brandeis Stores and Brown's  
Tennessee Rats are booked for two  
games at Kourke park, Saturday and  
Sunday.

The great exhibition of Decoration  
day was fine, both teams being on  
their mettle. The defeat of the col-  
ored athletes was due to both the

masterful pitching of Morrey Olson  
and the clever support afforded him  
by his teammates. Vicens, the dusky  
southpaw, made a hit with the fans  
and is entitled to be classed as one  
of the leading colored slabmen of the  
country.

Manager Brown of the Rats will  
probably use Lyress, his crack right-  
hander, and Manager Bradford will  
give the fans an opportunity to pass  
judgment on his latest acquisition,  
Vinton Rhode, formerly of the Cana-  
dian league, in Saturday's game,  
which is booked for 3:15.

## CHICAGO ALUMNI WILL CELEBRATE SATURDAY

A luncheon for the former students  
of the University of Chicago will be  
held Saturday noon at the University  
club to celebrate the twentieth anni-  
versary of the founding of that insti-  
tution. Reservations have already been  
made for thirty-seven. Among the  
speakers will be A. U. Graff, Dr. A.  
D. Dunn, Miss Susan Paxon, Miss  
Irma Gross, Mr. E. D. Griffen, J. G.  
Masters. Mark Savidge will lead in  
the singing.
